Ky-Va Highway Association

To Meet At Stanton

The Ky-Va Highway Association will hold a meeting at Stanton next Thursday, November 23rd. This association has quite a large membership in all the counties from Fayette to the Virginia line. Hundreds of delegates will be in Stanton on that day. We all want the road and that is the mission of this association.—Get it by 1925.

Farm Work Advanced

The beautiful weather has afforded farmers an opportunity to get their work up. Most of them, in fact, are through husking corn and sowing small grain. Owing to the lack of moisture in the soil, small grain is very backward. Some good hog killing weather was with us last week, but few of the porkers were slaughtered, farmers preferring to take no chances on variations of the weather.

In Hospital at Columbus

A letter from Hood Patton, a Clay City boy residing at Charleston, W. Va., says he is now confined in the hospital at Columbus, Ohio, where he underwent an operation some two weeks ago. He is now improving, and will doubtless soon be out. Hood has many friends in this portion of the county who will regret to learn of his recent illness.

Road Work Halted

Road work in one portion of the county was abruptly temporarily brought to a stop last week when it was learned the right-of-way recommended by the engineer in charge was not near wide enough. The land owner forbade the use of any land not paid for. This brings more expense on the county because of the inefficient estimation of quantities made.

Irvine Defeats Bonds

Irvine voted down \$20,000 in bonds to build sewers in the town. Irvine voted several thousand dollars in street bonds a few years ago. The streets have been built and worn out but the bonds they still have out. Voting large bonds on small places, generally is an unwise thing to do.

Baptist Meeting Sunday

The monthly meeting of Clay City Baptists will be held Sunday. Pastor W. S. Shearer will preach. All are most cordially invited to be present and worship with the Baptists on this day.

Circuit Court Monday

Circuit Court will convene at Stanton Monday with Judge Shackelford to preside. The Judge was in Europe at the last term of court, and he was greatly missed.

Taking City Assessment

Judge O. F. Rogers is busy this week taking the city assessment. The tax lists are running along about the same as usual.

Fiscal Court in Session Tuesday

The Fiscal Court was in session at Stanton Tuesday to adjust some right of way matters on our new roads opening and to transact other business matters of importance. The editor was present at this meeting which was the first of this court's deliberations we have had the opportunity to attend, and was well pleased at their fair and business like methods of doing the business of the county.

Clark County to Vote on Road Tax

December 14th Clark county will vote on the proposition to levy an extra 20 cent road tax for two years. It is to be understood that this tax is to be used to help the State and Government rebuild the Iron Works pike to the Powell county line. Two years ago this county voted a similar tax and built the road to the Montgomery county line, now they desire to come this way. The Times longs to see this road improved.

Powell's Corn Average

The Government report on corn average production per acre for Powell county place the yield at 20 bushels per acre. This is doing Powell an injustice. The truth of it is, very few fields of corn in the county yield as low as 20 bushels per acre while many of them reach fifty and sixty bushels per acre.

Richmond Court

The East End yards court day reported 6,000 cattle on the market. The best grade brought \$7; inferior grades sold very low. Mules sold at much better prices than a month ago. Horses were very slow with few sales. Very few hogs were on the market and no sheep at all.—Richmond Pantagraph.

Liquor Quite a Factor

Lax liquor laws are in demand in many parts of the country, and this sentiment elected or defeated many candidates committing themselves on this question. The Times favors no candidate that favors a leaning backward toward alcoholic drinks however low in percentage they may be. We support the constitution in full.

Saturday Sales Day

Saturday is regular Sales and Market day for Clay City. Bring on your stock and other things you have for sale. If you have nothing for sale then come and buy something on the market that's for sale.

Candidate for Governor

Congressman Barkley, of Paducah, has made it known that he will be a candidate for the Democratic nomination for Governor next year.

Drouth Broken

The prevailing drouth of several weeks duration has been broken by copious rains falling Tuesday night and yesterday.

Want History Withdrawn

From Schools

The Kentucky Sons of American Revolution charge that "Muzzey's School History of the United States" used by many of the city schools of the state is pro English and un-American, and therefore call upon all such schools to abandon this history. This society has made requests to the schools of Owensboro, Ashland, Dayton, Maysville, Bowling Green, Louisville Collegiate school, University of Kentucky, Hamilton College and Berea College to discontinue the use of this biased history in their respective schools.

Slump in Cincinnati Slaughter

According to the Monthly Business Review, there has been a great slump in the consumption of live stock at Cincinnati as well as in other cities of the Fourth Federal Reserve district. In September last year, there were 20,123 cattle slaughtered in Cincinnati, this year there were but 15,395; there were 66,302 hogs slaughtered in 1921 against 38,520 in 1922; there 15,557 sheep in 1921 against 7,501 in 1922; 8,207 calves in 1921 against 5,041 in 1922.

Moonshine in Quantities

Prohibition officers raided two stills in Jefferson county last Friday, arrested eight men and boys, destroyed 15,000 gallons mash and poured out 800 gallons of moonshine.

The stills were 600 feet apart and were among the largest captured in prohibition raids. Those arrested were required to destroy the stills with their own axes under the drawn guns of eight officers. The men surrendered without resistance.

Hunting Season Opened Yesterday

The hunting season opened yesterday, and you could sit inside and hear the big guns roar at the little game. The crop of birds is light at the beginning of the season. Before you start on a trip pick up the Times again and read "Don't Shoot."

Fraley Goes With Oil Company

Everett Fraley has been employed by the Smith, Becker & Smith Oil Company to care for their pumping engines and light plant three miles beyond Furnace and left Monday to begin his duties. Everett is a mechanic all right and wholly capable of taking care of the job.

Prof. Taulbee Ill

Prof. J. W. Taulbee was very sick the latter part of last week and had to be out of school two days. He was back Monday morning giving his usual instructions to the pupils of his room.

Still in the Business

Buford Estes, of Vaughn's Mill, is still taking orders for monuments. See his ad. in this issue of the Times.

Personal Paragraphs

Mrs. Eddie Hainline, of Levee, visited relatives and friends here Monday.

Dr. W. C. Martin and Mr. Wm. Bashaw were in Lexington Monday on business.

Carl Garrett is serving as a juror at Richmond this week in the Federal Court.

Mr. and Mrs. L. P. Keith and little daughter, Myrtle Elizabeth, also Mrs. C. Shimfessel motored to Winchester Sunday.

H. G. Garrett, Chairman of Kentucky's Highway Commission, was in Clay City yesterday. Mr. Garrett is one of Powell's sons of whom the old county justly feels proud.

Misses Fannie Mize, Helen Vollmer, Reese Shimfessel and Messrs. Harry Mackey and Crate Johnson were in Mt. Sterling shopping Tuesday afternoon.

Misses Mary Nelson and Grace Martin and Mr. Trimble May attended a candy pulling given at the home of Mr. and Mrs. E. D. Conlee at Kiddville recently.

Mr. and Mrs. Franklin Smith and little daughter, Katherine Grace, spent the week end with Mrs. Smith's parents, Mr. and Mrs. W. L. Payne, at Mt. Sterling.

Misses Helen Vollmer and Reese Shimfessel and Mr. S. E. Johnson spent from Thursday till Saturday with Mr. and Mrs. D. O. Blackburn near Lexington.

Rev. J. B. Shoemaker, of Waynesburg, Casey county, was to see us Monday. He had been in Lee county to visit his son, Grant Shoemaker, and was on his return home.

Rev. Geo. A. Zuern was rushed to the hospital at Winchester Tuesday suffering severely with a cinder in his eye. He went on to Louisville to have his eye operated on.

Mr. and Mrs. S. J. Conn, of Cincinnati, O., came home Sunday. Mr. Conn returned to the city in the afternoon while Mrs. Conn will remain with her parents, Mr. and Mrs. J. B. Eaton, for a few weeks' visit.

Sherman Townsend returned Tuesday to Lee county after a two week's visit to his relatives at Clay City. Sherman is indeed very badly crippled but is now able to walk on crutches. His artificial limb is of more service than the one that was saved.

A party went to Winchester in the bus Monday evening to see the picture "Where is My Wandering Boy." The party was composed of: Miss Helen Vollmer, Mr. Harry Mackey, Miss Reese Shimfessel, Mr. Crate Johnson, Miss Fannie Mize, Mr. Bert Knight and Mr. Charlie Mize.

Mrs. James Kincaid, of Cincinnati, O., was to see her parents, Mr. and Mrs. J. F. Kincaid, last Wednesday. Thursday she spent the day with her sister-in-law, Mrs. John Maxwell, at Rosslyn. Friday Mrs. Kincaid returned home, also Mr. and Mrs. J. F. Kincaid accompanied her to spend the winter.

STANTON.

Mr. J. W. Raybould has been home for a few days.

An oil rig passed through here Tuesday for Patsey to drill for oil.

Mrs. Charlie Sparks and others visited Mrs. W. M. Spencer Sunday.

Mrs. Louis Stephens has returned home from a visit to her mother, Mrs. Mary Jane Welch of Rosslyn.

Dr. J. E. Lemming has just about completed his new house, and Andrew Hollars has just moved into same.

Most of the farmers around here are about through gathering corn and all we have heard report say it is good.

We understand that fire in the upper end of the county burned up \$400.00 worth of feed for the road contractors and two mules.

Threatening rain here at this writing and every one is hoping that it will as stock water is very scarce and in some places drinking water.

Dr. J. E. Lemming and Dr. Agg Knox, of Mt. Sterling, were called to see Mrs. James Reed at Slade who is very ill. Dr. Lemming also reports Mr. Jno. Ballard's child, of Bowen, with erysipelas.

Mr. and Mrs. Henry Skidmore, of North Fork, lost their 11 year-old daughter by enlargement of the heart. She was buried here Sunday with a large crowd attending the funeral. The girl's mother is a sister to Duick Ewen, who lives here in town.

Forest fires have done a great deal of damage in this part of the county this year and is still burning around here. It pays to be careful with fire. Carelessness in the United States alone each year costs its people more than the expense of our Government.

Returns With Two New Cars

Wm. Bashaw and Mrs. Bashaw returned Sunday with two new shining Overlands, ready for delivery to so many customers. The Overlands are growing daily in popularity with the Powell county automobile public who find so much comfort and refinement in driving and riding in them.

Attention Methodist Folks

The ladies of the Methodist church will serve dinner in the Court House by Joe Mountz's garage, Saturday the 18th, for the purpose of raising money to help defray expenses on the repairing of the church. Every one's help will be appreciated.

The Strike is Over

Last July a portion of the shop craft struck because of a reduction of wages. They lost four months wages and have quit.

Charles Anderson moved this week to Fixer to work with his sons in the oil field.

A HOME-MADE PAPER.

THURSDAY, NOV. 16, 1922

SUBSCRIPTION RATE,
ONE DOLLAR PER YEAR.

Entered as second-class mail matter at the Post Office at Clay City, Ky., under the Act of Congress of March 3, 1879.

This is the Month

To give thanks.
To eat fresh pork.
To cut and burn the fence row weeds.

To clean the roof gutters of accumulated dirt and leaves.

To feast your eyes on the gorgeous colors of autumn forests.

To watch the price of eggs mount, and prod the pullets into laying.

To stop every draft in the hen house and guard against colds and roup.

To gather a good supply of garden soil for use in window gardens and starting boxes before the ground freezes.

To see that the seed corn is thoroughly dry before hard freezing weather. Make sure you have plenty—don't guess.

To feed the young pullets heavily. Proper care this month will do a lot to bring a big egg yield in December.

To get all the corn fodder under cover, where it can be fed conveniently. One of the slavish winter jobs is hauling fodder every few days from the field.

To begin to make friends with the bird. A little regular feeding will make one's home a real bird haven, and many can be coaxed to stay with you through the winter.—Life.

The Times in Error

The Times was in error last week when we stated that the escaped prisoners had been captured. We were informed that they had been brought back from Ohio, but it seems that while this was true as to at least one of them, he made his escape after being brought back again.

Small Accounts

Are always welcomed here no less than larger ones for most large accounts were small ones once.

Whatever the nature or the volume of your banking business, when you bring it here you are assured of uniformly courteous and helpful service.

SPOUT SPRING

Clint Barnett left Saturday for his new home at Newport, Ky.

Tinker Puckett, aged about 70 years, is dead after being in poor health for some time.

Mrs. Lloyd Todd spent several days last week with Mrs. Henry Wiseman in Clark county.

Mrs. Shelt McKinney attended the funeral of her cousin, Irvie Faulkner, at Winchester Tuesday.

Mr. and Mrs. Lennie Crow, of Stanton, spent Sunday afternoon with his parents, Mr. and Mrs. Albert Crow.

Shelt McKinney has taken a sub-contract to do a lot of grade work on the new road in Powell county near Slade. He will begin the work at once.

Mrs. Wm. Mizé has returned to her home at Kimbrell from a Winchester hospital where she recently underwent a slight operation. She is improving very satisfactorily.

Irene, the little 3 year-old daughter of Mr. and Mrs. I. T. Sams, had its hand severely cut Saturday while its parents were gone to Stanton. The child reached for a stick of wood while its older brother was cutting wood, the ax came down on her hand almost severing three of its fingers. Dr. Martin thinks the hand can be saved.

Knowlton

(Too late for last week.)

J. G. Cole continues to be in poor health.

Steve McIntosh reports to the writer a gathering and measuring of 65 bushels of apples from one tree.

R. H. Dennis, G. M. Crowe and Mr. Palmer, the Jailor, of Stanton, were here on business Wednesday.

Mrs. A. L. Messer and little daughter, Iriva, from the Furnace, visited Mrs. Pearl McIntosh Wednesday.

VAUGHN'S MILL.

Our New Schoolhouse

Our new school building has been completed by Mr. Chas. Wright, the contractor, and has been accepted as up to specifications by the Board of Education.

Now we have it, let us use same in the right manner for community purposes, namely, social gatherings, public speakings, religious services or any other good cause that might be upbuilding to our community in which we live. Furthermore, we believe every good citizen around Vaughn's Mill is justly proud of this new school building, and those who have made it possible, Supt., Miss Bowen, our enterprising citizens are to be thanked very kindly for pushing it through this fall, or we would have had to wait until a year later.

Why not have a community Christmas tree for the first big event in this rendezvous where every parent, pupil and all can take a part feeling free to promote their actions, gifts, speech or any other thing it takes to bring the co-operative spirit into our community.

The Holidays are drawing nigh, think these suggestions over and then let us get together in unity from every angle to have and enjoy the best Xmas of our lives. This will mean some sacrifices on our part, but think on the other hand you can gladden so many little hearts that probably would not be otherwise.

We can by hard work and loyal support do things at Vaughn's Mill of a constructive and beneficial nature. Now is the accepted time to begin. Are you a willing worker? "Then show us your Faith by your Works."

Hatcher's Creek.

Mrs. James Welch, of Stanton, spent Sunday with Mrs. Sallie Martin.

Brother Martin Larison delivered a good sermon at North Bend Saturday night.

Mr. and Mrs. R. W. Garrett, Clay City, visited Mr. and Mrs. J. G. Thomas Sunday.

A. T. Stewart and Rev. Jessie Kincaid, of Stanton, visited North Bend Sunday School Sunday.

Kelly Martin and Albert Faulkner started for Cincinnati last Friday where they expect to work a while.

Mrs. Matt Johnson and Mrs. Millard Estes attended Church and Sunday School at North Bend Sunday afternoon.

John H. Johnson, of Olympia, visited his father and mother, Mr. and Mrs. Hugh Johnson, and other relatives a few days last week.

Mr. and Mrs. John Ashler, Mr. and Mrs. Jimmie Townsend, Mrs. Robt. Ashley, Mrs. Nannie Ashley and Mr. Herman Johnson, of Winchester, were guests Sunday of Mr. and Mrs. Hugh Johnson.

The Choice of Friend's And Realizing

Your family is worth the best you can give it. You desire for their enjoyment the best house, the best food, the best clothes that you can afford. And you are very careful that they cultivate the right kind of friends. But are you just as careful about choosing

ter, Iriva, from the Furnace, visited Mrs. Pearl McIntosh Wednesday.

F. M. Bright, B. F. Hampton, Lem-on Howet and Steve McIntosh were Court day visitors at Stanton Monday.

There will be a box supper at Mt. Canaan school house Friday night at 7:30. Everybody invited. Grace Corlton, teacher.

Kentucky Crop Report for November, 1922.

The Kentucky corn crop this season is estimated at 90,748,000 bus. compared to 82,150,000 bus. last year and an average annual production of 97,152,000 bus. 1916-1920, inclusive, while this year's Irish potato crop in Kentucky is estimated at 4,720,000 or 25 percent more than the 3,770,000 bus. produced in this in 1921. Other crops reported for Kentucky are:—sweet potatoes 1,818,000 bus. apples 5,070,000 bus.; pears 150,000 bus.; clover seed 46,000 bus.; and sorghum sirup 3,984,000 gallons. Last year Kentucky's production of these crops was:—sweet potatoes 1,872,000 bus.; apple 636,000 bus.; pears 4,000 bus.; clover seed 34,000 bus.; and sorghum sirup 4,080 gallons.

It is estimated that approximately 5 percent of Kentucky's acreage of corn this season was put into silos, the average yield per acre being only about 5.5 tons. About 83 percent of this season's corn crop in Kentucky is reported as being merchantable, and farmers also report they have only 6 percent of last year's Kentucky corn crop still on farms. The average yield of corn per acre this year in Kentucky is 28 bushels, compared to 25.6 bus. per acre last year and a 10-year average of 27.3 bushels.

Hard Winter Ahead

A writer in the Sunday Courier-Journal commenting on the coming winter forecasts a bad winter based on the following facts:

More migratory birds have gone southward and gone much earlier than for many years. Weather prophets say that this is one of the surest signs of a severe winter. Few migratory birds were seen the two years marked by mild winters.

The weather prophet relies upon other things to back up his forecast. The goosebone long has been associated with winter prognostications and the amount and thickness of the shucks around an ear of corn is believed to have a bearing on the severity of the weather during the winter season.

Another portent much relied on by those making a winter predicted is based on the coat of fur-bearing animals, upon the theory that nature takes care of the animals and provides them with extra fur to withstand the rigors of a severe season. In the same way when squirrels store away an extra supply of nuts, tradition has it that it means a long and hard winter.

The abundant nut yield is pointed to as another never-failing sign that cold weather will set in for a long stay. Going by the signs weather prophets take a gloomy view of the winter outlook.

SLADE.

(Too late for last week.)

Miss Ula Adams visited the family of her uncle, Carl Ewen, of Clay City, last week.

Supt. Miss Maude Bowen is visiting the schools in lower end of the county this week.

Mrs. Tipton Olefield and baby, Reno, spent the week-end with Mr. Olefield in Cincinnati.

Stephen Brewer, Lonny Birch and Ova Helton motored here from Middletown, O. They arrived Saturday.

Ernest and Austin Faulkner sold their farm, known as the Orlando Faulkner farm, to Jesse Townsend.

Rev. Willie Brewer is in Lincoln county to fill his appointment and assist in building the new church house.

Earl Gilly and his aunt, Miss Beasley, of Torrent, visited friends here Wednesday and attended prayer meeting.

Mr. and Mrs. Dewie Fulks and Miss Lucy Ford spent the week-end with Mr. and Mrs. Kelly Fulks, of Winchester.

Carpenters are making rapid strides toward completion of a new dwelling house for Mr. Ford and will soon have it finished.

The lumber is here and work has begun on the new church. And we need all the assistance we can get in the building of this church.

The temperance enterpriser given by our school Friday was a success as usual. Our school never fails in anything it undertake. Miss McEwen and Mrs. Olefield put their every effort in their work.

There are quite a few changing houses in the neighborhood: Jerry Birch has moved to Nada; Sam Tipton moved to Nada; Adam Birch moved into house vacated by Tipton; T. B. Powell moved from Pasley farm to Nada; Willie Brooks will move into house vacated by Powell.

The Sheriff and his deputies destroyed a moon shine still on the San McNabb farm last Monday. Searched the house belonging to J. P. Cole and found a half gallon moon shine whiskey on his table and for this desert Mr. Cole got a fine of \$100.00 and 30 days in jail and has a new occupation. The still was reported by a small boy to the W. C. T. U. and was found by the officers exactly where the child reported it. It is bad enough to give whisky to men and a woe is pronounced upon such and it is awful to think of a man giving this terrible stuff to a child and many men guilty of moon shining should receive no mercy at the bar of justice. Mr. Cole says he knew nothing of the still and was not connected with it in any way, but the court thought different.

Nervous Break-Down

MRS. ANNIE LANGE, of R. F. D. 1, Burlington, Tex., writes as follows regarding her experience with Cardui: "Some time ago I had a nervous breakdown of some kind. I was very weak and so nervous. I had fainting spells and suffered a great deal, but more from the weak, trembly, no-account feeling than anything else. I knew I needed a tonic, and needed it badly. I began the use of Cardui to see if I couldn't get some strength, as I knew of other cases that had been helped by its

use. I soon saw a great improvement, so I kept it up. I used seven bottles of Cardui, and can say the money was well spent, for I grew well and strong. Am now able to do all my housework and a great deal of work besides."

If you are weak, run-down, nervous and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it helped Mrs. Lange and has helped thousands of others, during the past 40 years.

Ask for, and insist on, Cardui.

End Comes to James Bloom

James Bloom died suddenly this morning at three o'clock. While he had been confined to his home most of the time for quite a while, he was not thought to be in an immediately dangerous condition. Mrs. Bloom, who slept in an adjoining room, heard him strike a match. She went to him and found him struggling. Dr. Martin was hurried to see him, but he was dead when the physician arrived.

Mr. Bloom was a native of Germany, but had been in Clay City for a number of years. He was 57 years old and a very progressive citizen. He is survived by his widow, who was formerly Miss Kate Hutchinson, of this city, and two children, Louise and James Jr.

He will be buried in the Clay City cemetery by the Masons, but at time of going to press the date of burial had not been fixed.

Times Building Progressing

The brick work on the new Times building is completed and all other outside work will be finished in a few days more. With only the interior finishing to do, the building will be completed within a few weeks. It has been a slow tedious job for the small force recently employed. The substantial structure will amply repay every effort on our part to provide a good home for the Clay City Times.

High Price Turkeys

The price of turkeys has gone up to 35 cents at Winchester which is the highest price ever paid for these birds on foot on that market. They started off at 28 cents but have gradually gone up until they are now worth the top price. The crop is very short.
